### Hoag Memorial Hospital Presbyterian

## ABOUT US

Located within Hoag Hospital Newport Beach and Hoag Hospital Irvine, Hoag laboratories provide testing services for Hoag's inpatient and outpatient population. Our dedicated team of over 230 licensed pathologists, clinical laboratory scientists, phlebotomists, and other laboratory professionals utilize state-of-the-art analytical instruments and technology to provide accurate and timely test results.

Hoag laboratories are accredited by the College of American Pathologists (CAP).
